

Registration Time Ticket Information
Summer 2021 & Fall 2021 Terms

Registration Time Tickets can only be given individually, not as a batch. Therefore, if a student wishes to register for multiple terms (Summer 2021 **and** Fall 2021), they will have to communicate with you to have each time ticket released.

For example, if a student wants to register for face-to-face courses in June as well as face-to-face courses in the Fall 2021 term, you will have to assign the Summer I (SUM1) time ticket in Banner, ensure the student is registered for Summer I term courses, and then you would need to re-assign a different time ticket for the Fall 2021 term (ALLSTUDENT) to enroll them in Fall courses.
