

NOTICE OF VACANCY

Automotive Mechanics Technology Instructor

REPORTS TO: Dean of Career-Technical & Adult Education

DESCRIPTION OF POSITION: At Mississippi Delta Community College (MDCC) we value the ability to serve students from a broad range of socioeconomic backgrounds, genders, abilities, and orientations. We prioritize applicants who demonstrate they understand the benefits a diverse student population brings to a community college. The successful Automotive Mechanics Technology Instructor will be an equity-minded individual committed to student success by collaborating with faculty, staff, administration, students and community partners who support the institution's mission.

The Automotive Mechanics Technology Instructor will prepare individuals to engage in the servicing and maintenance of all types of automobiles. Instruction includes the diagnosis of malfunctions and repair of engines, fuel, electrical, cooling, brake systems, and drive train and suspension systems. Instruction is also provided in the adjustment and repair of individual components such as transmissions and fuel systems. Instruction may include teaching a diverse student population, including traditional and nontraditional students, Middle College and dual-enrollment students, and adult learners. Faculty should expect to teach courses at various times, including morning, afternoon, and evening, and in multiple modalities, including but not limited to face-to-face, eLearning, and hybrid formats. The instructor will also participate in all standard faculty duties, such as student advising and orientation.

More specifically, the instructor is responsible for the following:

DUTIES AND RESPONSIBILITIES

- Advise and keep records of student advisees by division and departmental policy and procedures
- Aid in hiring, training, and evaluating instructors within the college
- Assist in the development of a term-by-term schedule of course offerings
- Assist the college in recruiting and retaining students in the program, Career-Technical division, and college as a whole
- Communicate the goals, objectives, and expectations of courses taught to students
- Demonstrate an interest in the students by providing assistance in the areas of guidance, student activities, and all registration processes
- Develop local state, and federal reports in an efficient accurate manner
- Encourage and monitor regular attendance of students and motivate students to maximum effort
- Foster and promote all educational programs and activities offered through the college
- Keep accurate records of student grades, progress, and retention data
